V. RESEARCH AND GRANTS

2016-2017	Preceptor Course Revision. Elizabeth Morse Genius Foundation \$8000
2014-2015	Work and prior education characteristics of NP students enrolled in first NP clinical course. Presented NONPF 4/15 (non funded)
2014-2015	NP students learning from medically underserved: Academic-community organization partnership. Co-PI: Angela Ritten, Julee Waldrop. Data Analysis in progress (preliminary data presented at NONPF, 2014; publication 6/15)
2010-2011	Worked on College of Medicine grant to expand use of Electronic Medical Records (25% release Fall 2010 and Spring 2011)
2009, 2010, 2011	Analysis of student responses on <i>Lived Experience of Chronic Illness Interview</i> assignment. Co PI: E. Rash (No funding). Presented
2007	Evaluation of knowledge retention from double testing. Co-investigator S. Heglund (No funding). Presented and published
2007	Impact of course debate on student beliefs about health care issues. (No funding). Research complete. Presented
2002-2010	FNP Program Support to UCF School of Nursing from Central Florida Health Center Total \$47,900
2003-05	(Dr. Judy Ruland PI) Comparison of outcomes of community-based vs. traditional generic baccalaureate programs: A pilot study (National League for Nursing, funded \$20,000). Presented at several conferences by Dr. Ruland.

2004	Descriptive study of accelerated second degree nursing programs. Not funded
2001	FNP program support to UCF School of Nursing from CFP Physicians Group \$2500 (Co-recipient: Dr. L. Holcomb)
2001	Impact of double testing on course grades in an undergraduate nursing course. (No funding support). Presented and published
2001	FNP program support to UCF School of Nursing Foundation from CFP Physicians Group \$5547
2000	FNP program support to UCF School of Nursing Foundation from CFP Physicians Group \$4700
2000	Community based nursing education at the University of Central Florida. Implementation work group. PI: Ermalynn Kiehl; Funded by Helene Fuld Health Trust: \$91,424.
2000	Still back to sleep: A reminder to families, caretakers & health care providers project. Implementation work group PI: Ermalynn Kiehl; Funded by March of Dimes: \$14,331.
2000	Comparisons of student beliefs about selected nursing issues before and after a examination of the issues in a health care issues class (No funding support)
1999	FNP program support to UCF School of Nursing Foundation from CFP Physicians Group \$686.24
1997-1998	Faculty Sabbatical. University of Central Florida; 3/4 salary; Competitive, Funded.
1997-1998	Kellogg Faculty Fellow Southern Council for Collegiate Education in Nursing. \$30,000; Competitive
1995-1996	Community based nursing initiative. Florida AHEC. \$8501
1995	Family nurse practitioner program (Nurse traineeship). Health and Human Services with E. Stullenbarger and G. Giovinco. \$24,393. Funded.
1994-1995	Department of Nursing project. Florida AHEC. \$8200 Funded.
1994	Family nurse practitioner program implementation grant. US Health and Human Services. Ranked,
1994-1995	Relationship of breastfeeding outcomes to prenatal breastfeeding classes. Co-P.I.: Lois Yingling (No funding support)
1993-1994	Effect of Motherwell Exercise Class on labor and delivery experience and newborn well-being. P. I.: Karen Guritz (No funding support)
1992-1993	Discomfort after peer administered injections in an on-campus laboratory (No funding support)
1992-1993	Parent perceptions of nurse caring behaviors on inpatient pediatric units. Co-Investigators: D. Smith, L. English, T. Horvath, B. Schafhauser, M. Rogers (No funding support)
1992	Student perceptions of use of pre- and post-conferences (No funding support)
1992	Effect of a program to increase the cognitive level of questions asked in clinical post-conference. Research Grant. Florida League for Nursing. \$1000.
1991	Pilot study: Effect of a program to increase the cognitive level of questions asked in clinical post-conference. UCF, College of Health and Public Affairs. \$575
1990	Infant Assessment and Postpartum Assessment. Production of videotapes. UCF, Instructional Resources Instructional Development Grant \$1750 (with Shelly Conroy)
1984-1985	Professional nurse traineeship, Department of Health, Education and Welfare. Tuition Support
1996-1970	Regents Nursing College Scholarship. New York State. Four years tuition support

VI. PRESENTATIONS

REFEREED NATIONAL/INTERNATIONAL:

06/15	Twitter without Tweeting: Optimizing Social Media for NP Practice Even Without Being Social. American Association of Nurse Practitioners Conference. Poster. Refereed
04/15	Years as RN, Specific RN experience, Hours worked while in the NP program. Do any of these matter for NP program success? National Organization of Nurse Practitioner Faculty Conference, Refereed
06/14	Beyond strains sprains and throat pain. The role of Nurse Practitioner in college Student Health Services. American Academy of Nursing Practitioners Annual Conference. Poster. Refereed.
04/14	Use of a File Review Rubric to Facilitate NP Program Admission Decisions. National Organization of Nurse Practitioner Faculty (NONPF). Podium Presentation. Refereed

04/14	NP students learning from medically underserved: Academic-Community Organization Partnership. NONPF. Poster. (Co-authors: A. Ritten, J. Waldrop) Refereed
04/13	Using Modern Technology to Enhance Pediatric Nursing Education Online Teaching and Learning in the 21 st Century: Online Learning (Workshop) National Association of Pediatric Nurse Associates and Practitioners Co-Presenter: Waldrop J (My section on optimizing use of on-line education tools.)
04/13	From the Clinic to the Classroom: Nurse Practitioner to Nurse Practitioner Faculty (Workshop). NONPF Co-Presenters: Waldrop, J., Blackwell, C. (My section on use of on-line discussion.)
02/13	The Master's in Nursing Education: Congruence with the Master's <i>Essentials</i> . AACN Masters Education Conference. Panel Presentation. Invited
02/13	Combining Challenge with Convenience and Opportunity. Student Health Services as a NP Faculty Practice Site. AACN Faculty Practice Conference. Poster.
2012	Outcomes of a Service Learning Program in a Nurse Practitioner Curriculum. (Podium) NLN Education Summit 2012
06/11	Creating an Inclusive Clinic Environment. AANP. (Podium) (Co-authors: Dr. E. Rash; Dr. C Blackwell)
06/11	Client's Lived Experiences of Chronic Illness: Implications for NP Care. AANP. (Co-author: Dr. E. Rash) (poster)
04/11	Post BSN DNP and Post MSN DNP Programs. Making the Recommendations Real. National Organization of Nurse Practitioner Faculty National Conference. Albuquerque, NM. Co-authors Dr. C Blackwell and Dr. S. Chase) (Symposium.)
04/11	Lived Experience of Chronic Illness. Helping NPs and NP Students See Beyond the Diagnosis. National Organization of Nurse Practitioner Faculty National Conference. Albuquerque, NM. (Co-author: Dr. E. Rash) (poster)
04/10	Sustaining Service Learning Partnerships for Nurse Practitioner Students, National Organization of Nurse Practitioner Faculty National Conference. Washington, DC. April 2010 (poster)
06/09	Getting Medications: A guide to Patient Assistance Programs. AANP Conference, June 2009 (poster)
02/09	Service Learning In MSN Programs Sustaining Nurse Practitioner Student Work In The Community. AACN Master's Conference, February 2009 (poster)
06/08	Primary Care Access Network. Quality Care for the Uninsured. CO-Presenter: M. Brennan. American Academy of Nurse Practitioners, June 2008. Won AANP Outstanding Abstract Award
04/08	Information Fluency National Organization of Nurse Practitioner Faculty 2008 Annual Conference. Louisville, KY (Podium Presentation) (Co-author: J. Ruland, J. Kijek)
