Program Description

A partnership between Seminole Community College (SCC) and UCF College of Nursing to allow qualified Associate of Science in Nursing (ASN) students to enter the RN to BSN program while completing the ASN at SCC. This program allows simultaneous enrollment in both associate and baccalaureate nursing programs.

Admission Requirements

Acceptance to the University does not constitute admission to this program. Only students admitted to the Seminole Community College Nursing Program are invited to apply to this SCC/UCF Enrollment option. Upon invitation, students must make separate application to the UCF College of Nursing. Students are accepted into this program during their first year of nursing at SCC and must progress according to a designated plan of study.

At the time of application, students must have:

- A cumulative GPA of 3.0 or above
- Been accepted for enrollment and in good standing at SCC ASN Nursing program.
- An AA degree from a Florida Community College or have met UCF General Education requirements
- Met UCF Foreign Language admission requirement
- Completed pre-requisite coursework for both the UCF and the SCC nursing programs.
- Completed all sections of CLAST (or exempt)

Students not yet admitted to UCF must make application and be accepted by the University. Upon completion of the ASN and successful licensure as a Registered Nurse, students will enroll in remaining UCF Nursing upper division courses to complete the BSN.

Degree Requirements

- Students who change degree programs and select this major must adopt the most current catalog
- Students should consult with a college advisor or community college A.A. transfer advisor regarding completion of General Education Program requirements
- Students should consult with a College of Nursing advisor for clarification of questions regarding prerequisite requirements which cannot be answered by college advisors
- The courses designated in sections 1 and 2 below may be taken at a Florida Community College or other university
- A minimum overall GPA of 2.5 and a minimum 2.5 GPA in the Nursing major are required for continuation in and graduation from the Nursing Program
- UCF Residency Requirement: 30 hours
- The courses designated in sections 1 (General Education) and 2 (Common Program Prerequisites) should usually be completed in the first 60 hours
