

Verification of Clinical Hours

This form serves as a verification of clinical hours completed in the master's program. The DNP programs requires 1000 clinical hours at the graduate level. Hours completed within the master's program will be included in the required 1000 hours. Students who do not fulfill the clinical hour requirement with the inclusion of master's clinical hours will be required to complete 1 - 5 credit hours of *NGR 7942L DNP Professional Practice Immersion* or *NGR 7748L Advanced Clinical Selective* in order to fulfill the requirement. Students will not be permitted to enroll until this form is completed and returned to gradnurseadvisor@ucf.edu
