Student Engagement Opportunities | Based on sponsorship level, select one/two/three options:

- **Recognition Ceremony**
Held spring and summer semesters prior to graduation, honors all graduating doctoral, masters and baccalaureate students. Graduate students are hooded, and BSN students are bestowed with a medallion featuring the lamp of knowledge.
- **Present student award at Recognition Ceremony 2021**
Criteria and award to be determined by organization.
- **White Coat Ceremony**
Held each fall to formally welcome all new pre-licensure cohorts to the nursing profession. Students are cloaked onstage and receive a commemorative pin.
- **Undergraduate Student Orientation OR Parent Orientation**
All day orientation for new nursing students prior to the start of summer and fall semesters. Second Degree/Accelerated students attend in May in Orlando and Traditional BSN students attend in August in Orlando, Cocoa and Daytona Beach. This option includes a sponsored lunch and ability to provide information about your organization.
- **PhD Student Intensive**
Held in person each semester for online doctoral students. This option includes a sponsored lunch for about 40 students and ability to have a table to interact with PhD students.
- **DNP Student Intensive**
Held in person each semester for online post-MSN nurse practitioner students and Nursing Leadership & Management program students. This option includes a sponsored lunch for about 50 students and have a table to interact with DNP students.
- **BSN-DNP Intensive**
Held in person each semester for online nurse practitioner students. This option includes sponsored refreshments for about 100 students and ability to have a table to interact with DNP students during a class break.
- **Student Nurses Association (SNA) Speaking Engagement**
Organization for undergraduate nursing students. Ability to attend one SNA meeting to share information about your organization. Select the Orlando, Daytona Beach or Cocoa campus.
