

Advance Your Career. Develop the leader within you.

EDUCATING NURSES SINCE 1979, the UCF College of Nursing makes earning a graduate degree flexible, convenient and affordable.

Online* formats cater to students who wish to work while pursuing their advanced degree.

And small classes led by doctorate-level faculty foster a collegial and supportive learning environment.

These are just some of the many reasons why *U.S. News and World Report* ranks UCF's nursing programs among the nation's best.

Nursing Leadership and Management MSN

Prepares for advanced leadership roles by developing independent expertise in the critical analysis and evidence-based evaluation of complex problems associated with organizations and systems.

- Online
- 36 credit hours
- Part-time and accelerated plans of study
- Clinical leadership experience
- No GRE admission requirement

The emphasis of the Nursing Leadership and Management curriculum is on evidence-based management and patient-care practices to achieve quality outcomes, innovation in the integration of healthcare services, and expertise in leading collaborative interprofessional teams for the novice and aspiring nurse leader.

Apply today! See website for admission requirements. The GRE is no longer a requirement for these two programs.

| | ENROLL Fall | ENROLL Spring |
|------------|---------------------|---------------------|
| MSN | Apply by April 1 | Apply by Sept. 1 |
| DNP | Apply by May 1 | Apply by Sept. 1 |

Nurse Executive DNP

In response to the changing healthcare environment, this innovative program prepares for the highest level of evidence-based leadership and multiple dimensions of administrative responsibilities within varied healthcare environments.

- Only executive program in Florida
- Online*
- 42 credit hours
- Part-time plan of study
- Ideal for students with MSN, MS, MBA, MHA or related discipline
- No GRE admission requirement

The emphasis of the Nurse Executive curriculum is on evidence-based decision making, evolution as a leader, and organizational analysis. It also provides analytic skills to examine practice innovations and outcomes, culminating in a DNP project that enhances the student's current work environment.

* The DNP online format requires a visit to campus twice a year for compact intensives taught by industry leaders and UCF nursing faculty. Dates are provided in advance.

MARIA STAHL, 140NP, RN
Alumna of Nurse Executive Program
Administrator, Health Officer
Brevard County Health Department

*"The main reason why I chose UCF's Executive DNP program is the **flexibility of the online, part-time format**. I also appreciated a DNP program that is focused on the executive role."* —Maria

WHY UCF NURSING

1. Nationally accredited

The MSN and DNP are fully accredited by the Commission for Collegiate Nursing Education.

2. Direct access to faculty

Faculty advisors mentor students and develop individualized plans of study, based on career and professional development goals.

3. Learn online

Both programs are offered online for the working professional. The DNP brings students together twice a year for short, intensive seminars* for maximum impact.

4. Small classes

Graduate courses are kept small to cultivate and maintain intimate connections with faculty and peers.

5. Technology orientation

Students have opportunity to participate in faculty-led technology orientation to learn UCF's webcourse platform and other available resources.
