

Bachelor of Science in Nursing (B.S.N.)

INFORMATION SESSIONS:

The College of Nursing hosts virtual bi-weekly information sessions. Check our website for dates and times.

PROGRAM OPPORTUNITIES:

- Honors in the Major Program
- Military Enlisted Commissioning Program (MECP)
- On-Campus Living Learning Community for Pre-Nursing Students
- Opportunity to take Graduate Level Courses in R.N. to B.S.N. Program
- Scholarships

The College of Nursing has made earning a nursing degree flexible, convenient, and affordable. Students wanting to become a nurse can attend face-to-face 'lock-step' programs in Orlando and on select regional campuses. Programs for registered nurses (R.N.) are offered online

ACCREDITATIONS

The Bachelor of Science in Nursing (BSN) at UCF is accredited by the Commission on Collegiate Nursing Education (CCNE), One Dupont Circle, NW, Suite 530, Washington, D.C., 20036, (t: 202-887-6791). The bachelor's degree is also approved by the Florida Board of Nursing.

DID YOU KNOW?

UCF produces the most newly licensed nurses in the State through its competitive pre-licensure BSN program, and its graduates consistently achieve one of the highest first-time pass rates in the nation on the NCLEX-RH exam.

^ Chemistry is preferred and strongly encouraged. Must be a BSC, BCH, CHM, PCB or PHY course. If anything other than Chemistry, the course must have been taken at a Florida public institution or be an approved course through via the Transfer Credit Evaluation Process.

** Must take two courses from the SAME sequence: Sequence Option 1 (Human Anatomy and Human Physiology) or Sequence Option 2 (Anatomy and Physiology I and II).

Applicants must earn a "C" (2.0) or better in all prerequisite courses.

UNDERGRADUATE PROGRAMS

BACHELOR OF SCIENCE IN NURSING (B.S.N.)

The American Association of Colleges of Nursing, the national voice for baccalaureate and graduate nursing programs, recognizes the B.S.N. degree as the minimum educational requirement for professional nursing practice

TRADITIONAL B.S.N.

Students generally apply to this program in the spring prior to their junior year in college. As a full-time 'lock-step' program, it takes five consecutive semesters to complete, including summer. Admission is limited to the Cocoa and Daytona Beach campuses in fall. The Orlando campus admits in fall and spring. The application for fall is in February and the application for spring is in August. Graduates are eligible to sit for the R.N. licensure exam.

SECOND DEGREE B.S.N.

Students generally apply to this program in the spring prior to their junior year in college. As a full-time 'lock-step' program, it takes five consecutive semesters to complete, including summer. Admission is limited to the Cocoa and Daytona Beach campuses in fall. The Orlando campus admits in fall and spring. The application for fall is in February and the application for spring is in August. Graduates are eligible to sit for the R.N. licensure exam.

CONCURRENT A.S.N. TO B.S.N.

This unique, alternative program allows qualified students to take Associate of Science in Nursing courses at approved state colleges while concurrently taking online B.S.N. courses at UCF. Students are eligible to sit for the R.N. licensure exam after completing their A.S.N. degree from the state college. Students will complete their A.S.N. degree with more than half of their B.S.N. credits already earned, allowing them to complete their B.S.N. degree from UCF sooner. This program is offered in partnership with Seminole State College (Altamonte Springs campus) and Valencia College (West and Osceola campus). Students enrolled in an A.S.N. program at any other Florida College System institution may also apply for a fully online concurrent option after their first semester in the A.S.N. program.

R.N. TO B.S.N.

This web-based bachelor's degree completion program is designed for registered nurses who have an associate of science degree in nursing or have completed a diploma nursing program. Courses are taught online. Nurses who plan to pursue a graduate degree later can get a head start by substituting up to 9 credit hours of graduate coursework+ while enrolled in UCF's R.N. to B.S.N. program.

+ Graduate tuition rates will apply. See plan of study for details.
