# ABOUT US

## **UCF COLLEGE OF NURSING**

With a 40-year history of innovation and excellence, UCF College of Nursing is today ranked among the nation's best nursing programs and prepares nurse leaders in education, research and practice to ensure a healthier future for all. Renowned faculty, including global experts in healthcare simulation, critical care and mental health, lead the college's accredited degree programs that are offered from the baccalaureate to the doctorate at the main campus in Orlando, regional campuses in Central Florida and online.

## **COMMUNITY NURSING COALITIONS**

The college began its community-based, service-learning nursing curriculum in 1997 when it established seven CNCs in Orange County.

Today, they reach 17 communities across five counties — from Flagler to Brevard and everywhere in between. Our baccalaureate and advanced practice nursing students and their faculty advisors make a visible difference by implementing valuable public health education programs and providing more than 30,000 hours of community service each year to Central Florida's most economically disadvantaged residents.

## **SIGMA: GLOBAL NURSING EXCELLENCE**

Sigma is the international nursing honor society for global nursing excellence. UCF College of Nursing is home to the Theta Epsilon Chapter of Sigma. Members of Sigma can be identified by their purple honor cords worn distinctly over their black graduation regalia. Dean Sole and Drs. Aroian and Shattell have been inducted into Sigma's International Nurse Researcher Hall of Fame for their significant contributions to nursing science. Alumnus Ken Dion '91 is currently serving as president of Sigma's board of directors.

## **HONORS UNDERGRADUATE THESIS PROGRAM**

Established in 1989, the Honors Undergraduate Thesis Program is the oldest and most prestigious undergraduate research program at UCF. Students research, write, defend and publish an original honors thesis. Today, the College of Nursing represents the highest proportion of students engaged in the program university-wide.

# NURSING HISTORY

## SIGNIFICANCE OF THE GONFALON

Every college at UCF has a gonfalon—a type of heraldic flag or banner. The term gonfalon comes from the old Italian word “confalone.” The images of the nursing gonfalon were thoughtfully selected to portray the spirit of nursing at UCF:

- **Torch**—representing leadership
- **Florence Nightingale’s lamp**—the global symbol for knowledge in the nursing profession
- **Caring hands**—the essence and foundation of our nursing discipline

## SIGNIFICANCE OF THE NURSING PIN

The nursing pin dates back to the Crusades in Europe when knights provided service to others. The earliest form of the pin, the Maltese Cross, was worn on the tunic placed over a knight’s armor.

In 1855, Queen Victoria presented Florence Nightingale with the Cross of St. George in recognition of the care she provided British soldiers. The pin today uniquely represents the institution from which students obtain their professional education.

## SIGNIFICANCE OF THE HOOD

The practice of hooding at graduation ceremonies also has medieval origins. Wearing the hood was traditionally associated with having superior knowledge. Throughout the Middle Ages, hooding became a symbol of the attainment of a higher degree.

The length of the hood is indicative of the degree attained. The color of the hood’s velvet edging represents the field in which the degree was earned. Apricot signifies a MSN or DNP, while dark blue signifies the PhD in Nursing.
