UCF UNDERGRADUATE APPLICATION PROCESS

Application Time Frames

- We recommend applying or reapplying to UCF **at least 3 months prior** to the application deadline as it can take time to be admitted and have transcripts processed.
- You must first be admitted to UCF before you can be reviewed for the RN-BSN program admissions.

	Summer	Fall	Spring
Submit UCF Undergraduate Admissions or Readmission application	Before March 1 st	Before July 1 st	Before November 1 st
For RN-BSN Program Admission Review	Must be admitted to UCF by March 21 st	Must be admitted to UCF by July 21 st	Must be admitted to UCF by November 21 st

STEP 1: UCF APPLICATION

- You must first be admitted (or readmitted) to UCF as a RN-Nursing Pending student.
 - Campus = UCF Online-only
 - Major = **Nursing for Current RNs (Online)**
- **New students** apply through [Undergraduate Admissions](#)
- **Former UCF students** complete a Readmissions application on their myUCF portal through the [Registrar's Office](#).
- No separate nursing application is required for students admitted to UCF as RN-Nursing Pending.
- Please apply for the semester in which the BSN program begins. If you have applied for an earlier semester, you will be expected to enroll in a class for that term or you must reapply to the university.

New UCF Students - Undergraduate Admissions

Submit College Transcripts
from all institutions attended

Submit High School
Transcripts (if needed for
Foreign Language)

Submit any Test Scores (AP, IB,
AICE, CLEP, etc.)

Returning/Former UCF Students – Registrar’s Office

Check Readmission Status on
myUCF.

If you have attended another
institution after leaving UCF,
submit official transcripts to
the Registrar’s Office.

Step 2 – Submit Documentation

Once you have been admitted/readmitted to UCF, email a copy of your RN license to UCFnurse@ucf.edu or Roger.Ly@ucf.edu

Transfer Orientation:

Wait to register for Orientation. You must be admitted to the RN-BSN program first before you can register for the Online Transfer Orientation

Immunizations

Please wait to submit your immunizations to Student Health Services. Online students can submit an immunization waiver form instead, after admission to the RN-BSN program.

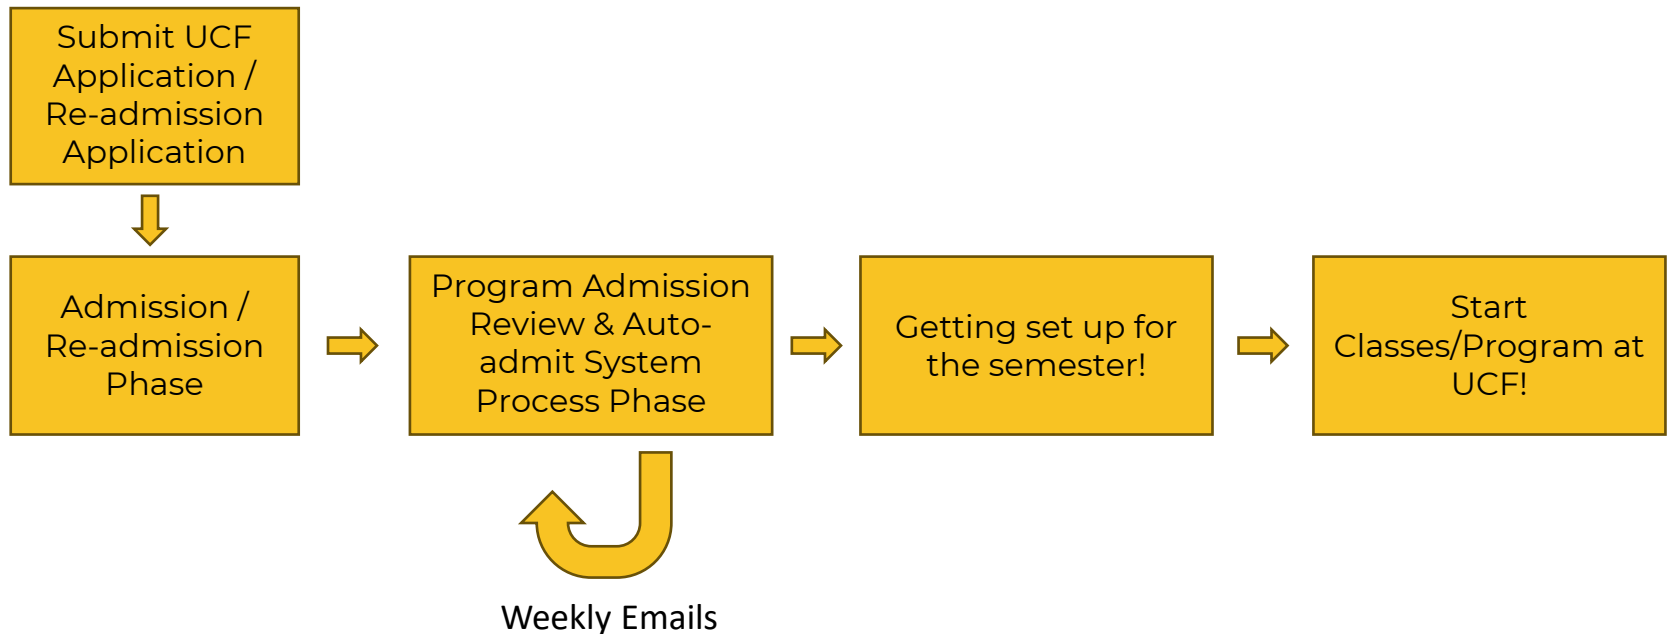

Residency

- Your residency status determines your tuition rate.
- New Students: Check your Future Knights Portal as you may need to submit documents for residency.
- Former UCF students: Contact the Registrar’s Office with any residency status questions or updates.

Now that you are **admitted/re-admitted....**

- The UCF Undergraduate Admissions letter **does not constitute admission** to the RN-BSN program.
- When you are admitted to UCF, you will start receiving automated emails from the College of Nursing based what is **appearing to be satisfied on your degree audit**.
- Students receive either an acceptance email or an automated email stating that admission requirements are missing.
 - Please allow time for your transcripts to be updated on your degree audit. Transcripts are not automatically processed on your degree audit, so you may receive the automated 'non-admitted' email.
 - The automated process is run weekly and is continuous. You will be reviewed each time until it is no longer possible to admit students.
 - You may continue to update your UCF records to satisfy the missing documents, and the College of Nursing will keep reviewing your records until a month before classes start.

Flow Chart

Step 3 –**REVIEW YOUR MYKNIGHT DEGREE AUDIT**

- Current UCF students can view their myKnight degree audit at any time.
 - For newly admitted/re-admitted students, **degree audits may not be fully updated depending on admittance date and how long it takes for system process and review to be done on incoming credits.**
- New applicants will not be able to view degree audit until late February for Fall admits and October for Spring admits.
- Why to view your Audit:
 - **GPA** — To see your cumulative GPA (all of your academic credits) and College of Nursing (CON) GPA (all of your BSN level classes)
 - **Prerequisite Courses** — Your degree audit must reflect 7 completed prerequisites with letter grades, and they must be listed in the correct prerequisite category.
 - **Transfer Courses** — To see how they are being used towards program admissions and graduation requirements

TRANSFER CREDIT EVALUATION

If any **General Education Program (GEP) courses or Nursing Prerequisites** were taken out of state, at a private college, or are not appearing to satisfy a requirement on your myKnight degree audit, students will have the opportunity to submit a syllabus for review.

Transfer Credit Evaluation (GEP courses)

- You can view transfer equivalencies and upload syllabi to be reviewed for GEP courses **by logging into your myUCF account > Student Center> dropdown menu → Transfer Evaluation.**
- If you do not submit syllabi by the deadline, you can complete a [Transfer Evaluation Request](#)
- The Transfer Credit Evaluation process for GEP courses can take up to 8 weeks.

College of Nursing Petition (Nursing Prerequisites)

- Complete a [College of Nursing Petition](#) (p. 2) and include a syllabus or course description directly from the college catalog the year the course was taken and submit it via email to ucfnurse@ucf.edu.
- ASN credits do not equal or substitute for UCF BSN level courses, so those do not need to be petitioned!

Contact a nursing advisor if you have questions about any incoming credit for GEP or prerequisites.

Now that you are **admitted** to the **RN-BSN program!**

- Review and return signed Memorandum of Agreement (MOA) to reserve your seat in the program!
- Register for classes once account holds are lifted. Do not forget about the items on the “To-Do” lists as they can become account holds in the future!
 - Orientation Hold
 - Immunization Waiver Hold
 - LEAP-RN Hold
 - MOA Hold
 - Etc.

Now that you are **admitted** to the RN-BSN program!

Now that you are **admitted** to the **RN-BSN program! – Plan of Study (POS)**

- Review the **initial** plan of study (POS) setting as denoted in the MOA
 - 3 semester – not recommended for full-time working RNs.
 - 5 semester – standard POS, 2 classes per semester
 - 10 semesters – for those that want to take it slowly
 - You can request adjustments in the future – review the rules in your POS!
- The POS is designed for a full-time working RN and if it helps to decrease the number of classes for a future semester or to take off a semester, please notify me or the program director of your request.
 - Any adjustments to add classes to a future semester will have to be reviewed and authorized as to ensure that you are not overloading yourself.

Now that you are **admitted** to the RN-BSN program! – Plan of Study (POS) Section

- If you are interested in taking graduate classes, you'll want to notify me of this when you submit the MOA back. Please let me know what field/graduate program you are interested in and if you are pursuing the degree here at UCF.
- To be eligible for graduate classes, you must have an **overall cumulative GPA of 3.0 or higher as calculated by UCF**. We have a list of authorized classes that we can draw from depending on your interested UCF graduate nursing program.

Not Admitted to UCF in Time?

- If you are not admitted to UCF in time for program admissions, there are 2 options:
 - 1st option: Sign up for the in-person transfer orientation and register for a class (will need to consult first). Then, try to be admitted for the next possible semester.
 - 2nd option: Submit a brand-new UCF application for the next possible semester.
- Once you have been admitted for the next term, we can review your records again to see if you meet the program admission requirements for the RN-BSN program.

Not Admitted to RN-BSN program?

- If you are not admitted to the RN-BSN program due to missing requirements, you can still take classes here at UCF to satisfy them and be given provisional program admissions in a future semester.
 - You will need to sign up for the in-person transfer orientation and register for at least one class to retain active student status.
 - Maintain connection with your academic advisor to review your missing requirements for future provisional program admissions.

Estimated Costs

- Currently for UCF online programs, the Florida resident tuition is **\$179.19** per credit hour (as of 11/1/23) - [Click here for current tuition rates](#)

 - Yes, ASN/ADN classes **are not equivalent** to BSN level classes.
- **I haven't taken the NCLEX or received my RN license yet, can I still apply?**
 - Yes, you can still submit the admission/readmission application for UCF and get admitted to UCF. Provided that all other program admission items are met **and the timing of receiving the RN License**, you can be given program admissions once you have received your RN license.
