University of Central Florida | College of Nursing  
6825 Lake Nona Blvd.  
Orlando, FL 32827

## EDUCATION

---

<b>PhD</b>	Nursing University of Central Florida, Orlando Dissertation: <i>Mother-Father Relationship and Perceived Stress among Black Pregnant Women: A Mixed Methods Approach</i> Chair: Carmen Giurgescu, PhD, RN, WHNP, FAAN	08/2020 – 08/2023
<b>BSN</b>	Nursing University of Central Florida, Orlando	05/2010 – 08/2011
<b>BS</b>	Biology University of Central Florida, Orlando	08/2003 – 05/2007

## LICENSURE AND CERTIFICATION

---

<b>Florida State Registered Nurse</b> RN9331481	09/2011 – 04/2027
<b>Certified Breastfeeding Counselor</b> #13941	05/2016 – 06/2028
<b>Neonatal Resuscitation Program</b>	09/2011 – 04/2026
<b>Basic Life Support</b>	09/2011 – 04/2026
<b>Collaborative Institutional Training Initiative</b>	01/2017 – 12/2026

## EMPLOYMENT

---

### *ACADEMIC APPOINTMENTS*

<b>Assistant Professor – Tenure Track</b> University of Central Florida College of Nursing Orlando, FL 32826	08/2025 – Present
---	-------------------

**Postdoctoral Scholar**

10/2023 – 08/2025

University of Central Florida  
College of Nursing  
Orlando, FL 32826

- Conducts data analysis, prepares manuscripts for publication, and participates in various research activities under the mentorship of Dr. Giurgescu in order to develop scholarly independence and growth as a nurse scientist.

**Research Assistant**

04/2021 – 10/2023

University of Central Florida  
College of Nursing  
Orlando, FL 32826

- Assisted Dr. Giurgescu with advertisement, participant recruitment, data collection and management, administrative duties, staff training, manuscript preparation, and presentations for a National Institutes of Health R01-funded research study.

***CLINICAL APPOINTMENTS*****Advanced Care Registered Nurse**

10/2011 – Present

Orlando Health Winnie Palmer Hospital for Women & Babies  
Neonatal Intensive Care Unit (NICU) Level IV  
Orlando, FL 32806

- Provides direct patient care for premature, full-term, and critically ill neonates in a 142-bed Level IV NICU with mastery of: neonatal physical assessment and resuscitation; critical thinking and intervention related to patient condition and plan of care; use of modern medical equipment/devices; timely documentation; effective communication and collaboration with healthcare team members; knowledge dissemination by precepting new NICU staff; and provision of therapeutic, ethical support and education for parents.

**AWARDS AND HONORS**

---

**International Normal Labour and Birth Research Conference**

04/2023

**Top Scientific Poster**

Role: Co-Author

**STTI Theta Epsilon Top Graduate Poster**

04/2023

Awarded \$100

**Wiley Top Cited Article 2021-2022**

02/2023

*Public Health Nursing Journal*

Role: First Author

<b>Wiley Top Downloaded Article 2021</b> <i>Public Health Nursing Journal</i> Role: First Author	02/2023
<b>March of Dimes Graduate Nursing Scholarship</b> Awarded \$5000	06/2022
<b>Edwin and Sarah Smith Memorial Endowed Scholarship</b> Awarded \$1500	06/2022
<b>JKLM Moore Endowed Scholarship</b> Awarded \$1000	06/2021
<b>UCF Student Scholar Symposium</b> Awarded \$500	04/2021
<b>UCF High Achievement Scholar</b> Awarded \$6,800 over four years for academic achievement.	08/2003 – 05/2007
<b>Florida Bright Futures Medallion Scholar</b> Awarded 75% cost of tuition each semester over four years.	08/2003 – 05/2007

## RESEARCH AND QUALITY IMPROVEMENT PROJECTS

---

**Research Assistant** 04/2021 – 10/2023

Title: *Paternal role in adverse birth outcomes in Black families*

(Multiple PIs: Caldwell, Giurgescu & Misra)

Funded by the NIH, National Institute of Nursing Research (NINR),

NIH Grant # R01 NR017626 – \$1,836,960

- Participant recruitment & enrollment; Collection & management of data; Collaboration with Primary Investigators on data analysis & manuscript development

**Research Assistant** 04/2021 – 10/2023

Title: *Social stressors and inflammation: A mixed methods approach to preterm birth*

(PI Giurgescu)

Funded by the NIH, National Institute on Minority Health & Health

Disparities (NIMHD), NIH Grant # R01 MD011575 – \$3,768,947

- Recruitment site manager; Participant recruitment & enrollment; Collection & management of data; Collaboration with Primary Investigator on data analysis & manuscript development

**Project Lead** 2020

Title: *Nursing Medication Management for Preventing Unintended Extubations*

- Aim: To examine best practices for pain and agitation medication management in order to reduce and prevent unintended extubations in the NICU.
- Contribution: Review of the literature & hospital policy; Project development & management; PDSA cycle implementation and modification; Unit education
- Outcome: Collaboration with neonatologists; Weekly weight-based adjustments to PRN medication doses; Appropriate use of PRN medications by nurses; Fewer extubations

**Project Co-Lead** 2020

Title: *Two-for-Tubes to Prevent Unintended Extubations*

- Aim: To reduce unintended extubations in the NICU through collaborative interventions by nursing and respiratory care.
- Contribution: Review of the literature & hospital policy; Project development & management; PDSA cycle implementation and modification; Unit education

- Outcome: Collaboration with respiratory care; Standardization for ETT securement, ETT checks, and retaping practices; Patient mobility with two providers; Fewer extubations

### **Project Lead**

2019

Title: *A Nurse-Driven, Evidence-Based Approach to Gastric Tube Practices in the NICU*

- Aim: To ensure that all gastric tubes are placed correctly and to standardize the management of gastric tubes in the NICU by utilizing evidence-based practices.
- Contribution: Review of the literature & hospital policy; Project development & management; Unit education development & dissemination; Poster presentation
- Outcome: Standardization of gastric tube devices, insertion, securement, & assessment

### **Project Member**

2017

Title: *The Bunker Bundle: A Best Practice to Battle the Risk of Infection*

- Aim: To reduce the risk and number of infections by creating an evidence-based bundle for infection prevention in the NICU.
- Contribution: Review of literature & hospital policy; Project development; Unit education; Poster presentation
- Outcome: Standardized management of patient bedspace & hygiene; Fewer CLABSI

### **Primary Investigator**

2017

Title: *Trends in Caffeine Therapy and Associated Neonatal Outcomes in Very Preterm Infants: A Retrospective Study*

- Aim: To evaluate the outcomes of current caffeine therapy practices in the NICU and establish a baseline standard of care.
- Contribution: Review of the literature & hospital policy; Proposal development & defense; Approval received from hospital Institutional Review Board, Nursing Research Council, & Physician Committee; Poster presentation
- Outcome: Project not completed due to change in clinical role & staffing hours

## **TEACHING-RELATED ACTIVITIES**

---

### **Preparing Tomorrow's Faculty**

Spring 2025

Postdoctoral course at UCF

- Introductory graduate course on post-secondary teaching in North America with focus on teaching undergraduate core curriculum. Objectives include knowledge and/or demonstration of: learning style and motivation; course design; learning assessment and feedback; teaching pedagogies; classroom management and climate; presentation and lecture; and teaching philosophy. Completion certificate provided.

### **Teaching Assistant**

Fall 2024

Instructor of record: Dr. Carmen Giurgescu

- Provided assistance with two Webcourses in the following ways: (1) Course design including: syllabus; learning objectives; course activities schedule; and grading

- rubrics. (2) Helped manage student correspondence throughout the semester. (3) Mentored students one-on-one regarding course progression and final projects.
- **NGR7823** – Psychometrics & Measurement for Nursing Research: Led one discussion week among five graduate students and provided feedback.
- **NUR4970H** – Honors Undergraduate Thesis: Mentored one undergraduate student on literature search strategies and thesis structure.

#### **NICU Education Projects**

2017 – 2020

Clinical ladder activity

- Responsible for creating educational materials, administering assessments, and disseminating education related to Quality Improvement projects on the unit.
- Responsible for educating nursing staff/leadership; approximately 300 nurses.

#### **NICU Preceptor**

2016 – Present

Clinical ladder activity

- Responsible for the teaching, mentoring, nurturing, assessment, and oversight of graduate nurses, new hires, and nursing students; approximately 50 nurses.

#### **INVITED SPEAKER**

---

**University of Central Florida**

10/2025

PhD Intensive Panelist

Topic: *Mock Review of Research Proposal*

**University of Central Florida**
