TRANSFER CREDIT EVALUATION

If any **General Education Program (GEP) courses or Nursing Prerequisites** were taken out of state, at a private college, or are not appearing to satisfy a requirement on your myKnight degree audit, students will have the opportunity to submit a syllabus for review.

Transfer Credit Evaluation (GEP courses)

- You can view transfer equivalencies and upload syllabi to be reviewed for GEP courses **by logging into your myUCF account > Student Center> dropdown menu → Transfer Evaluation.**
- If you do not submit syllabi by the deadline, you can complete a [Transfer Evaluation Request](#)
- The Transfer Credit Evaluation process for GEP courses can take up to 8 weeks.

College of Nursing Petition (Nursing Prerequisites)

- Complete an [online College of Nursing Petition form](#).
- ASN credits do not equal or substitute for UCF BSN level courses, so those do not need to be petitioned!

Contact a nursing advisor if you have questions about any incoming credit for GEP or prerequisites.

Now that you are **admitted** to the **FCSC ASN-BSN program!**

- Review and return signed Memorandum of Agreement (MOA) to reserve your seat in the program!
- Register for classes once account holds are lifted. Do not forget about the items on the “To-Do” lists as they can become account holds in the future!
 - Orientation Hold
 - Immunization Waiver Hold
 - LEAP-RN Hold
 - MOA Hold
 - Etc.

Now that you are **admitted** to the FCSC ASN-BSN program!

Now that you are **admitted** to the **FCSC ASN-BSN program!– Plan of Study (POS)**

- Review the **initial** plan of study (POS) setting as denoted in the MOA
- **While you are in your ASN program, you are only allowed to take 1 online UCF class.** Once you have graduated with your ASN degree, you will then be allowed to take 2 classes per semester.
 - Students are responsible for notifying UCF for any changes to expected ASN graduation.
 - Further adjustments will be contingent on obtaining RN license and on future plans going forward.
- If you are interested in taking graduate classes, you'll want to notify me of this when you submit the MOA back. Please let me know what field/graduate program you are interested in and if you are pursuing the degree here at UCF.
- To be eligible for graduate classes, you must have an **overall cumulative GPA of 3.0 or higher as calculated by UCF.** We have a list of authorized classes that we can draw from depending on your interested UCF graduate nursing program.

Estimated Costs

- Currently for UCF online programs, the Florida resident tuition is **\$179.19** per credit hour (as of 1/23/25) - [Click here for current tuition rates](#)
 - Reduced tuition does not include access to most main campus resources (e.g., physical library, gym, campus activities, etc.)
- Books – expect approximately **\$100 - \$150** per class
- **\$160** LEAP*RN (Project Concert)- One time Subscription Cost for student database that is paid at the beginning of program.

Financial Aid **Warning**

- **As a student taking classes at 2 institutions at the same time, you can only claim federal/state financial aid at 1 school at a time.** Trying to claim at 2 schools **will** cause issues with your financial aid package.
 - **All federal and state financial aid should be going towards the State College you are completing your ASN degree.**
- That means you will be paying out-of-pocket for the UCF class first and then reimbursed with any leftover financial aid from the State College you are attending for your ASN degree.
- Once you have received your ASN degree and it is posted on your records, submit official transcripts to the appropriate office.
 - Send to Office of Undergraduate Admissions **if** receiving ASN within 1 semester of starting the FCSC ASN-BSN program.
 - Send to the Office of the Registrar's if receiving ASN **after** your 1st semester of UCF classes.

UCF Financial Aid & Scholarships

- **Once you have completed your ASN degree, students can then designate UCF as the institution where state/federal financial aid can be applied.** Students can also apply for UCF scholarships. All communication occurs through UCF Email only.
- UCF College of Nursing scholarship listing is featured on our website – [Click here!](#)

 - Yes, ASN/ADN classes **are not equivalent** to BSN level classes.
- **I'm in my last ASN/ADN semester, can I still apply?**
 - Yes, you can still apply for this program. Your POS will look a bit different than other FCSC ASN-BSN students!
